

BRAINSTORM & WRITING PROMPT

Name:

Date:

To prepare for our Q & A session with marine biologist Hannah Medd, we want you to think about how you can become a marine biologist. Use the prompts below to try and generate some questions so you are ready when she is LIVE!

Education

Swimming with Sharks

Internships/ Jobs

Starting your own non profit

After the Q & A session, think back on what you learned from Hannah. Write a few sentences to answer the following question, using evidence from the interview:
How does Hannah Medd's work help in ocean conservation?
